Important Walk News

Dear EDWE Community,

After much deliberation and prayer, the Board has decided to postpone the Fall Walks until the fall of 2021. With so many unknowns about the virus and whether an effective vaccine will be found, we felt that it was best to postpone the Walks for the safety and health of our community.

We know that this is a big disappointment for the Weekend Lay Directors and the teams so we ask that you keep them in your prayers and use this time to pray for the pilgrims who God is calling you to sponsor.

May you all be blessed and stay healthy,
Rebecca Fenn
EDWE Community Lay Director

Sponsorship

So what does it take to be a sponsor? Prayerfully consider who you want to sponsor, transportation to and from the campground, gathering Agape letters, attending send off, candlelight, closing and follow up by attending gatherings and reunion groups.

Who do you sponsor? Do you have someone in mind? Remember the Walk is not for "fixing" people, your pilgrim should be growing in their journey of faith. We want them to run back to their church and say "here I am, ready to help!"

Are you ready to extend that invitation? Talk to the person, tell them about the weekend, nothing is secret (although some things like the agape and candlelight are delightful surprises). Applications are on the website and available at every gathering.

This was my original article to be published before COVID19 and after reading it again, I realize that it still stands. However, since we are still social distancing printing an application off the website is your best option and if you do not have access to a printer we can mail you an application. So call up that person you have been praying for to sponsor and offer this wonderful gift. The walks are just around the corner.

DeColores!
