GUIDELINES OF AN ACTIVE EDWE COMMUNITY MEMBER

The guidelines listed below pertain to members that have been in the community for two years or more.

1. Must have attended three gatherings in the previous year. This means you **must** sign in with the registrar.
2. Must have participated in previous walk with some form of agape. Some examples would be working the previous walk, sponsoring, serving a meal, prayer vigil, bed or table agape, participating in candlelight, helping setup, or cleaning up at campgrounds are just a few of the ways the active member can help the community put on a walk (it takes a village). This is not always recorded, but is something that is expected and will be asked.
3. Must be grouping with a registered accountability group. If their group is not registered it will not be acceptable.
4. Must be regularly attending a church.

Corinthians 12:20-25(ESV)

²⁰ As it is, there are many parts, yet one body.

²¹ The eye cannot say to the hand, “I have no need of you,” nor again the head to the feet, “I have no need of you.” ²² On the contrary, the parts of the body that seem to be weaker are indispensable, ²³ and on those parts of the body that we think less honorable we bestow the greater honor, and our unrepresentable parts are treated with greater modesty, ²⁴ which our more presentable parts do not require. But God has so composed the body, giving greater honor to the part that lacked it, ²⁵ that there may be no division in the body, but that the members may have the same care for one another.
