## NEWBIES

*DeColores,*

*My name is Chris Ritchie and I am the newly appointed member of the Board of Directors for the Evansville District Walk to Emmaus. I am a member of New Hope Community Church in Newburgh, IN where I serve on our Praise & Worship Team and also assist with our Fusion youth ministry. I made the Evansville District Walk to Emmaus # 64 in 2009. In 2010, I was asked to assist with the database and the website and very soon after that I became the Administrator for the database and the website.*

*In one form or another I have been involved with the Emmaus community since my walk. Either in the form of playing music at our gatherings, serving on many teams, or by helping with technology via the website, database, and at the campground.*

*I look forward to meeting new faces that I currently may not know. I believe the Walk to Emmaus is an amazing way to first hand learn about God's love and amazing grace. I have seen lives change from the Walk to Emmaus, I have seen people restored and renewed from dying moments and renew their relationship with our savior. The Walk to Emmaus is designed to build leadership within each person so they may become more involved and leaders within their local church and also to continue to build a closer relationship with our savior. What an amazing tool God has graced us with by sharing this with others.*

*God has blessed my life beyond imagination. My beautiful bride, Sheah and I, will be celebrating the birth of a new baby boy sometime around February 8, 2014. Our new baby's siblings are excited about his arrival as well is Mom and Dad. This year we have lost many friends and family. We hurt, we mourn, we miss, but we also celebrate knowing that they knew Jesus and are praising and worshiping with our savior.*

*May God bless each and every one of you.*
