Are you looking for a great way to serve the Lord through Emmaus? Well, here is your chance...Clean-up Crews are needed for the upcoming Walks.

We are in need of willing servants who can help clean up the campground after the Men's Walk on March 15th and the Women's Walk on March 22nd. We will begin cleaning up after the pilgrims go to the church. The time frame will be from 3 pm to about 7 or 8 pm. We will need more volunteers on the 22nd since we have to tear down from the Walks. The more volunteers we have the faster the cleanup will go. So gather your friends and reunion group members and let me know when you can help.

Please get in touch me at rmfenn83@gmail.com or call [812.547.6818](tel:812.547.6818) to volunteer and be sure to leave a contact number if you leave a message. Thanks in advance and may God bless you for your servant hood!
