your joy in living, your understanding,
your giving.*

EDITOR'S THOUGHT

This is the month we celebrate the person who gave birth to us or adopted us as their own. Then we also remember those who have gone before us in this world. These are the people who teach us about love, dangers and all the things in between. They also are the ones who give us the first hints of God's love. So in a way we celebrate how we are molded into the people we are, from the cradle to the grave all in one month.

SPONSORSHIP

Good sponsorship is the foundation for a healthy, effective Emmaus movement that is fulfilling its true purpose – the development of Christian leaders and the renewal of the church in ministry. The strength of any Emmaus community is a direct result of its recruiting practices. If the community is committed to recruiting strong church leaders for the purpose of strengthening the local church, then the community will be a strong, vital force in the renewal movement. If, on the other hand, the Walk to Emmaus is looked upon as a hospital where every human ill can be cured, it will have a weakening effect on the entire community.

Dear EDWE Community,

Thank you for all your support over the last year. You have made being the Community Lay Director a real blessing. In June the position will pass to Paul Giles. Every CLD has something to add to the Community, something special to them. I can't wait to see where Paul will take us next.

I want to take this time to inform you of a change the Board put into effect last month. We voted that the "witness talk" or special presenter at the Gathering will be no longer than 15 minutes.

The board decided it was very important to keep the Gathering as close to the one hour mark as possible. In order to do this, it was determined that the witness speaker or special presenters be limited to a total of fifteen minutes. The speaker/presenter will be informed that the Gathering coordinator will sit near the speaker/presenter with a small two minute warning sign (like those used in our formations) to help the speaker stay within that time frame.
