We need SPONSORS starting NOW. Sponsorship is an act of love for God, pilgrims, and the Emmaus Community. Good sponsorship is vital to the Emmaus movement in every community. In fact, sponsorship is the most important role in Emmaus. It is so much more than "signing people up". The quality of sponsorship influences the pilgrims, churches and communities. The purpose of sponsorship should be to bring spiritual renewal to those who will in return, bring new life and vision back to their churches, homes, workplaces, schools, and communities. I challenge everyone to start sponsoring NOW. Let's fill the next Walks early. We can do this!

## **Thank God for Mother's Love - Anonymous**

There is no love, like a mother's love,  
no stronger bond on earth  
Like the precious bond that comes from God,  
to a mother when she gives birth.  
A mother's love is forever strong,  
never changing for all time  
And when her children need her most,  
a mother's love will shine.  
God bless them every one  
for all the special work they've done.  
When her days on earth are over,  
a mother's love lives on.  
Be thankful for our mothers,  
for they love with a higher love  
from the power God has given,  
and the strength from up above.

Happy Mother's Day!
