Sponsorship Chairperson

Joyce Cundiff

Our sponsorship class was well attended, and everyone said they learned something they did not know, which is what we hoped for. Many things have changed over the years, and many of our community were never trained or informed on the best practices of sponsorship, so we are giving all of you the opportunity to take short sessions before some gatherings. Beginning in November, we will have sections of sponsorship training from 6:00 P.M to 6:30 PM before the gathering. We hope this is well received, and we'll be scheduling more classes in the future.

My goal is the same goal of EMMAUS, which is that we lift up disciples of God. Please come and attend these workshops and bring your questions with you!

REGISTRAR

Lindy Enlow

We are another month closer to the Walk. It will be here before you know it. We currently have three men and eight women signed up. Have an application? Mail it to EDWE, P.O. Box 3937, Evansville, IN 47737 or Lindy Enlow, 3222 Bullocktown Road, Boonville, IN 47601.

Calling all 4th Day Techies!!

Have you ever felt called to share your technology experience with Emmaus? Take that first step and come to the October Gathering at the Santa Claus Campground on October 11th at 5:00 pm to learn about the EDWE sound and audio visual system. We are looking for more 4th Day who could be eligible to run the system during a Walk.

The Tech Rep is part of the Conference Room Team and is responsible for working with the musicians and running the audiovisual system for the Walks. He/She is also responsible for running the Talk and Song Powerpoints.

Please let Rebecca Fenn, Board Technology Committee Chair, know if you can attend. E-mail Rebecca at rmfenn83@gmail.com. We look forward to seeing whom God is leading to share their technology gifts!

Working a Walk

The lay directors have their lists and will be calling the Fourth Day to fill their teams. Please start praying about working the walks, so if they call you, you can give them an answer. If you would like to work a walk, you can go to the website and let us know or talk to the LDs.

SPONSORING

THE APPLICATION: FIRST, **ALL** parts of the application must be completed and signed. Read the "Sponsor Information" section of the application carefully and prayerfully consider your responsibility as a sponsor before signing your name. Incomplete applications cannot and will not be processed.
