## Witness Speaker

Greetings from Ron Fuhrman, your Gathering Coordinator.

I am very pleased to inform you of our witness speaker for the Gathering on October 10 at the Dale UMC. will be Kelly Cazzell.

She has been preparing for this witness since March when we had to change things due to Covid 19. You don't want to miss the opportunity to hear Kelly.

I do want to encourage anyone who would be interested in giving a witness talk to contact me so you may share your story of what God is and has done in your life.

So play like the Lone Ranger, mask up, bring a Tonto with you and come join us at the Gathering. You will be glad you did and we will love to see your smiling face behind the mask.

**Speaking to one another with psalms,  
hymns, and songs from the Spirit.  
Sing and make music from your heart to the Lord,  
Ephesians 5:19 NIV**

### E.D.W.E., Chrysalis, and Journey News

My name is Justin Campbell.

I attended the Purchase Area Chrysalis Flight #16 in Paducah, Kentucky in 2001. I have served on multiple Chrysalis teams during the remaining years of High School and College.

I was blessed to get to serve on two Emmaus Walks with the Central Mississippi Walk to Emmaus in 2010-2011.

I moved back home and was given the opportunity to serve as Lay Director for a Chrysalis Flight in 2013.

Since moving back here in 2015 I've gotten (re)married, and between us we have 3 kids at home and 2 others who live away.

Most recently, I got the opportunity to serve on the Evansville District Walk to Emmaus last fall and have recently been given the chance to serve the Emmaus Board as the Music Rep.

I'm really excited and looking forward to being a part of this community for a very long time! For all my moving in my younger years, my wife and I both feel like this is where we're going to make our permanent home.

I have volunteered to be the liaison between EDWE and Chrysalis and Journey. I met with Kevin Bittner for lunch to talk about the 4<sup>th</sup> Day communities becoming more involved and support each other.

We both agreed that having more interaction between the communities can only work to help bolster all of the communities. When kids see an active adult community, it makes them want to get their parents involved. When adults see an active youth community it makes them want to get their children and grandchildren involved. I'm a prime example of how the youth who go through Chrysalis today can be the adults who help guide Emmaus forward in the future.

The more we are united and connected in that service, the further the message can spread through the area. I've said before that one of the most beautiful things I saw coming up through Chrysalis was how deeply entwined the Emmaus and Chrysalis communities were back home. When there was a candlelight service for Emmaus, the youth filled the lines and seeing them filled the pilgrims with joy! When there were needs to serve, the youth were eager to serve! And because of that, the adults had a vested interest in serving the youth as well and helping them have a strong community. As we connect with them, they'll connect back.

Your brother in Christ

Justin Campbell

I would also like to thank Kent Templeton for editing and creating the newsletter for us. Thanks Kent!

If there is something you would like to see in the newsletter or a question you have, feel free to get in touch with me. If you have a question we can share it in the newsletter. You probably are not the only person that had a question about that topic.

Blessing

Debbie Pipken
